

New Ruff-Tex™ Buggy

Ruff-Tex™ Buggy

10173 – Large Blue, 10174, Mini Blue
10175 – Large Lime, 10176 – Mini Lime

Large – 12”h x 11”w x 4.4”d; ideal for large and xl breeds
Small – 8.6”h x 7.3”x x 2.8”d; ideal for small and medium breeds

Uniqueness: combines flexible 100% natural rubber with soft plush.

Toys in the marketplace now are either plush or latex.

The plush arms, legs and ears are lined with tuffut technology.

The plush arms, legs and ears are lined with tuffut technology. The arms, legs and ears are 3 separate pieces. Top of both arms are fed into the body and the other end is the legs. The ears are one piece; they go into the top of the head and out the other side.

There are squeakers in the hands of feed.

New Styles in the Big & Little Fellers and Baby Bear Cub Assortment

Pheasant

10177 – Big Feller
10178 – Lil Feller

Possum

10119 – Big Feller
10120 – Lil Feller

Model #10183

The bodies are under-stuffed and floppy, just like our Big and Lil Feller Squirrels. They are easy for dogs to pick up and flop up and down. Each toy has a squeaker plus crinkly paper; sure to please all dogs. The large is oversized for all big and giant breed dogs. The small is tiny sized; perfect for toy or small breeds.

3 pack of assorted colors (black, brown and oatmeal- not pictured) Same construction as the Baby Rabbits Assortment. Body is bubble plush. Arms and legs are one continuous pieces through body for added security.
